## Who is the lucky woman?

Four local doctors recently participated in a makeover of an Indianapolis-area woman. Dr. Gregg Raymond, DDS, FAGD provided her with a complete dental makeover including eighteen porcelain veneers and teeth whitening.

Dr. Linda Frechette performed a complete eye exam for the lucky winner, including screening for Lasik surgery, glasses and contacts.

Dr. Mark Hamilton performed facial cosmetic surgery for her, including upper and lower blepharoplasty (eyelids), face lift, endoscopic forehead lift, BOTOX Cosmetic injection and Restylane injections.

Dr. Janet K. Turkle performed a breast augmentation and body lift for the winner.

This woman's incredible real-life makeover will be revealed on national television in November. Watch your local listings.
